DEAR CHILDREN:
Remember what you have learned in ICMC Children Safety Program? Here’s a Coloring Book to help you remember some important teaching points!

Inside these pages, you can find simple activities like matching & Coloring!

Let us begin with revising some teaching points that we have learned:

TOUCHING RULES:
1) No one should touch your private parts except to keep you clean and healthy. No one should ask you to touch their private parts.
2) If someone touches you in an unsafe way or asks you to do something that makes you feel unsafe, say No, run and tell.
3) Tell, tell, and tell until someone helps you.

FOUR WAYS OF SAYING “NO”:
1) Stop!
2) I don’t like it.
3) Don’t touch me!
4) Go away!
